hi Linda

I'm trying to add a few more people to my tree on the Clutterbuck side.

Can you let me know, what you know of the following. For these people I'll just be adding their names and birthdays for now.

When I've entered them I will send you an ancestor report that will show what I have so far. It's slowly starting to build up and paint a picture.

I've ordered the marriage certificates for both sets of your grandparents but they will take about a month to get here.

Christopher and James middle names.

Ian's full name.

Alan's full name and his mums name. Lisa ?

Chris's full name and his mum's name.
